

Sharing the benefits of the Fallago Rig wind farm across the Scottish Borders

129 projects have received a total of £1,540,541

The Fallago Environment Fund Awards projects that:

- support rural communities
- preserve and enhance the region's special landscapes and biodiversity
- conserve and tell the story of the area's heritage
- enhance the Scottish Borders as a tourism destination

Fallago grants have helped projects lever an additional
£10 for every £1 invested by the Fund
